Business Mirror - W'ford

WHAT-A-RIBBON CUTTING should be! What-A-Burger restaurant manager Terry Peyton cuts the ribbon at ceremonies this morning as company officials, the chamber of commerce ribbon cutting committee, KZEE staffers and store employees observe. The store recently began its third week of operation here at 1216 South Main. About 7,200 hamburgers were served the first week, according to Peyton. The store has 25 employees.
